

Rehabilitation Consultant

Due to continued growth, Easec are seeking Rehabilitation Consultants (OT, RC, Psych), on a contract basis, to join our successful injury management and careers services teams.

- *competitive remuneration, subject to experience and qualifications*
- *flexible hours to fit your lifestyle*
- *full training, support, supervision and opportunities for professional development*

About Easec:

Easec is an accredited rehabilitation provider offering services to Public and Private sectors in the areas of Occupational Injury Management, Vocational Rehabilitation and Outplacement. We are accredited with Comcare to assist injured individuals to return to work. We believe that leading a fulfilling life involves doing meaningful work.

About the Role:

The role of the Rehabilitation Consultant is to work in partnership with clients, employers and insurers to achieve sustainable employment and independent living. You will provide a diverse range of Occupational Rehabilitation consultancy work, including discipline-specific Assessments, Training, and Case Management services to a caseload of individuals with compensable and non compensable injuries.

About You:

To be successful in this role, you will have:

- Occupational Rehabilitation experience,
- Tertiary qualifications in Occupational Therapy, Psychology, or Rehabilitation Counselling (or similar)
- Accreditation with AHPRA or membership ASORC or the RCAA.
- An understanding of worker's compensation legislation, or the ability to develop
- Strong writing skills
- Strong organisational and time management skills
- The ability to work independently and in a multidisciplinary team

Location: Adelaide

Work Type: Contract/Temp

To apply: Fill out the application form on the website or please contact Julia Bunn to have a confidential discussion about the role on 0419 686 769 or email hr@easec.com.au
